# NASSER ABOUELAZM

Phone: (850) 257-6417

Email: [nasser.abouelazm@gmail.com](mailto:nasser.abouelazm@gmail.com)

Github: <https://github.com/nasser85>

LinkedIn: <https://www.linkedin.com/in/nasser-abouelazm-b98894126>

Address: Brooklyn, NY

## Skills

### Proficient Languages and Frameworks

JavaScript | AngularJS | PostgreSQL | Express | Node | Sequelize | HTML/CSS/SASS | JQuery | Ajax | Git | PHP | Gulp | Waffle | SQL

### Learning and Eager to Learn

Mocha/Chai/Jasmine | Ruby/Rails | Angular 2 | MongoDB | MySQL | React | Python | C++ | Java | Phaser

## Projects

**VIRTUAL TAROT** - Lead Developer | Tarot Card App | <https://github.com/nasser85/Tarot>

- Created a fully responsive tarot reading app using Material CSS, AngularJS, and Node.

**LIVING STORY BOOK** - Lead Developer | Virtual Book Building App | <https://github.com/nasser85/Living-Story-Book>

- Used Angular, Materialize, and the Speech Synthesis API to create platform for building self-reading books.
- Enabled third party authentication with Google and Facebook apis.

**REGEX RACE** - Developer | Educational Game App | <https://github.com/nasser85/RegEx-Game> | [www.regexrace.com](http://www.regexrace.com)

- Managed project workflow using waffle.io and github
- Built backend routes and Postgres models for persisting and retrieving data along with tests to verify functionality
- Used Angular factories, controllers, and states to preserve a multi-faceted single-page app
- Used Bootstrap and other CSS libraries to provide sleek and modern UI/UX

**MATTERHORN SPORTS** - Developer | E-Commerce Site | <https://github.com/ctheller/outdoor-store>

- Designed Postgres models and associations and managed data flow through express middleware along with Angular factories on the front end
- Built strong UI/UX for both basic and administrative users using bootstrap, CSS3 and Angular

## Professional Experience

**EIGHTH GRADE ENGLISH TEACHER** — Fisher Middle High School — Lafitte, Louisiana

Aug 2014 — June 2016

- Brought students from a 9.5% to a 57.3% pass rate on state reading exam
- Successfully completed TeachNola Fellowship program earning certification in Grades 7-12 English and Math

**TEACHING FELLOW** — TeachNOLA Fellowship Program — New Orleans, Louisiana

Summer 2014

- Admitted to a highly selective cohort committed to raising student achievement in South Louisiana's highest need schools
- Participated in five-week summer training, including a three week student teaching experience with students in New Orleans

**ENGLISH TEACHER** — Rowad Al Khaleej International School — Dammam, Saudi Arabia

Aug 2012 — July 2013

- Taught 7<sup>th</sup> through 9<sup>th</sup> grade English classes
- Served as cochairman of the Purpose and Direction Committee, where I held weekly meetings aimed at collecting data regarding the prevalence, clarity, and application of the mission and vision statements
- Earned Excellence in Teaching Award as well as Excellence in Accreditation Standards Award
- Helped to organize the ESL programs for the upper grades in the school, through the administration of assessments, collection of data, and leveling of students

## Education

**CERTIFICATE** — Fullstack Academy — Software Engineering Program — New York, New York

June 2016 — Sep 2016

- Spent six weeks learning JavaScript fundamentals, as well as the tools and best practices necessary to build web applications using Postgres, Express, AngularJS, and Node.js.
- Applied acquired skills to successive and rigorous projects, such as an e-commerce site and web platform for document versioning.

**BA IN ENGLISH** — University of Florida — Gainesville, Florida

May 2007
